

ELTHAM BOWLING CLUB NEWSLETTER

SEPTEMBER / OCTOBER 2020

Hi everyone

I hope you are all staying positive and keeping well. Spring has brought us some warmer weather and daylight saving has arrived but we continue to be challenged by current circumstances and I for one can't wait to get back on the green. At our Sept board meeting it was decided to offer a 50% discount on membership fees to help compensate for our clubs shut down.

We finally had our AGM on zoom on the 3rd Oct. Many thanks to Helen for her skills in coordinating a very successful meeting and also to the over 70 members who jumped on board. I would also like to extend a big thank you to all those who have volunteered for our committee positions for this season.

We had two of our members recommended for Life Membership this year. It is with great pleasure that I congratulate Ros Camera and Jenny Millar. Both nominations received a unanimous vote of acceptance at our recent AGM. Everyone agreed this honour was well deserved by both who have always worked so hard in their various roles for our club.

The surroundings at the club are in desperate need of some TLC after being neglected for the last few months. To address this we will be organising working bees as soon as we're allowed. This may need to be in the form of several smaller groups to comply with Government directions of social distancing etc. The commencement date for our 20/21 season is still up in the air but we will hopefully know more after next Sunday's announcements by our Premier.

Looking forward to catching up soon.

Greens Director's Report for the next Board meeting: I have been in contact with all 5 Greens committee members, they all agreed that I would be the committee coordinator as well as GD. We are all ready to go as soon as we are allowed back on the greens.

I have also spoken to Phil Grant and he is quite happy with the grass green and states that it can be readied as soon as we are allowed on. He has been cutting back the long grass around the edges and surrounds but as soon as we can I would like a working bee organised to really hit the ditches and surrounds and clean up around the number 2 green as well.

Phil will be giving the grass a double cut, roll and spray to get it ready for us to put the lines down so that we may be able to have members practising on that as well as the synthetic when we get the go ahead.
