June 2016 Newsletter

Message from The President

Hello All,

Welcome to this first address to you in my new role as president of our bowling club. And welcome to the first newsletter from our new editor, Chris Riddell.

This newsletter, which I am hoping to rename with something eye-catching, is intended not necessarily to entertain, but to communicate. Between Chris and I, and as many and varied contributors as we are able to inspire to put pen to paper, the Newsletter should form a direct line of communication from the Board, from the selectors, in fact from all of our varied committed and sub-committees. With this communication in mind, the results of the Annual General Meeting held on Sunday May 1 will follow my report.

The Board's first meeting was held on Wednesday 18th May, and subsequent meetings will be held on the 3rd Wednesday of each month. I invite you to seek out the board members and ask them to represent you on any aspect of our clubs' operations that you may be interested in.

Thank you for your ongoing interest, and in particular a HUGE thank you to all those who have so promptly, and generously, responded to the formation and setting up of the committees

and sub-committees. A relatively seamless transition from one year to the next is the direct result of this generosity of time and commitment.

Please note, I am going to be traveling overseas until mid-June, so please excuse my absence from around the club during this time.
