

Club Pine Rivers

MAY, 2017 - NEWSLETTER NO. 1

Hi folks, and welcome to the first of a new monthly newsletter. We hope to bring you all up to date with happenings on and off the green in relation to our great sport here at the club. If you have any titbits of information for the newsletter please contact Dave Edwards on DEdwards@prmbc.com.au.

WARILLA 4 A SIDE

Pine Rivers had a team entered in this inaugural event down at Warilla in N.S.W. from the 8th-11th May. This was a very well run event with a very good format. The 4 players (Jo Edwards, Aaron Hewson, Alex Murtagh and Robbie Wild) were split into two pairs. Games were played over 15 ends and apart from the winners on each rink getting two points for a win there was also a master board with four points allocated for the winner of that. There were twenty teams entered and each team played 14 matches over the four days with the top four teams then playing a semi-final and final. The quality of the field was very strong with there being no easy game. The Pine Rivers team were tracking pretty well after two days, however a poor third day where all four games were lost cost the team and they eventually finished in 13th position. The team from Cabramatta were the winners.

SINGLES RESULTS

The novice singles and club A grade singles were held recently and congratulations go to Steve Simpson on winning the novice event and Micky Ashdowne on winning the A grade event. We look forward to following Micky in the Champion/Champion event coming up later in the year.

PENNANTS

The pennants season is looming and we are in the process of trying to arrange a practice game against various clubs for as many divisions as we can. Will keep you posted on that.

The new selection panel have already held a meeting to discuss how they would like to operate this year and as a result we would like to notify you all of a meeting we will be having to explain a number of initiatives that we are keen to introduce for the upcoming season. The meeting will be held upstairs in the function room on Thursday the 8th June at 6.30pm. Please do your best to be there.

CLUB TRIPLES

The club triples will be played on Thursday night beginning on the 6th July and will be played each Thursday night until completed. Get your entries in, sheet is on the board.

HAPPENINGS

A junior (U18) coaching session was held at the club recently and Lou Daconceicao had his two lovely kids here to participate. Whilst the kids were enjoying their training session, Lou had a practise session himself on an adjoining rink. The kids were playing away, minding their own business and going well when whose wrong bias bowl should all of a sudden appear in the middle of the kids head!!!! You guessed it, the big yellow bowl belonging to Lou!!!!

HOUSEKEEPING

Could all members please take more care when placing the jack on the centre line, especially on the two metre mark. When using your foot to straighten the jack, please do not put any pressure on the jack as we have noticed a number of indentations where the jack has been pressed down too firmly. Appreciate your assistance with this.

You may notice that the rinks have been shifted to the blue marks. This is to ensure we don't get too much wear and tear.

The club are looking at re-introducing the scroungers competition on a Thursday afternoon. If you are interested, details are on the board.
